Office of the President
Bucknell University
Lewisburg, Pennsylvania 17837-3760

Dear President Mitchell:

At its session on June 22, 2005, the Middle States Commission on Higher Education acted to accept the monitoring report submitted by Bucknell University. The Commission requested a progress letter, due October 1, 2006, documenting further progress in the implementation of governance changes. The Periodic Review Report is due June 1, 2009.

Enclosed for your information is a copy of the Statement of Accreditation Status for your institution. The Statement of Accreditation Status (SAS) provides important basic information about the institution and its affiliation with the Commission, and it is made available to the public upon request. Accreditation applies to the institution as detailed in the SAS; institutional information is derived from data provided by the institution through annual reporting and Commission actions. If any of the institutional information is incorrect, please contact the Commission as soon as possible.

Please check to ensure that published references to your institution's accredited status (catalog, other publications, web page) include the full name, address, and telephone number of the accrediting agency. Further guidance is provided in the Commission's policy statement *Advertising, Student Recruitment, and Representation of Accredited Status*, a copy of which is enclosed.

Please be assured of the continuing interest of the Commission on Higher Education in the well-being of Bucknell University. If any further clarification is needed regarding the SAS or other items in this letter, please feel free to contact Dr. Michael J. Kiphart, Executive Associate Director.

Sincerely,

Daniel Chambliss
