

Seneschale:

Fantastic event: QRC

Letter from Her Majesty on Gazette

Thank to Antoinette for autocrattin

Fencers are still raving about the dayboard: quality, quantity, plenty, always replenished

Well-run event

Happy Father's Day!

Our next meeting will be in August.

Herald:

Want to schedule meeting, hopefully before Pennsic, to collect back things that need to be done, to start working again

Sylvester and Greer's done, submitted at WP, on proper paperwork.

At QRC, Antoinette got a Flying Money (token from Baroness and Baroness of Endless Hills)

Silvester got a Fleur at AECademy

Exchequer:

No report

We made \$4.99 on QRC! (Due to unclaimed and found \$20)

Site costs \$300, they did not charge us for the kitchen

Did not have to give Kingdom any profits from event

KM:

Light turnout of heavies. Suspect there are drawbacks to having a rock star Knight who's been traveling.

Milton Shoe Factory will be available for practice in bad weather, on a use-as-needed basis, \$100 for the site. Fighters and fencers who attend would contribute to the site fee. Minimum of 10 needed.

Fencing:

Andreas trying to reach out to Lock Haven crew to set up something at Denys's house

Archery:

Denys has a range

A&S:

Nothing to report

Chatelaine:

Hospitality Table was a hit at QRC

Looking for a solution: unattended children using Hospitality Table

At FFF and QRC, eating bowls of candy, hot chocolate mess,

Suggestions: Child has to be accompanied by an adult – safety issue

Kingdom Policies regarding children – Children under 14 must be accompanied by a parent

Don't want to scare people away, don't want people to drop out

This is a large problem in the SCA – Crown Tourney/Facebook problem

We need to start somewhere ... Policy posted at Troll ... need to follow policy

Eileen – Same problem in other groups (Civil War) – we were creative in our presentation, we should all probably share those strawberries, have cups up high to prevent children from spilling or reaching

Sign at Hospitality Table is the best approach  
Children's Policy on the Seneschal site

Antoinette:

There is going to be a big overhaul in the Chancellor Minor office – there has not been a consistent person in the position doing the job for some time  
Maybe parents don't even know that  
Run a class every so often

Chatelaine:

Her Majesty was informed about the Hospitality Table – show thought it was great idea, never seen anything like this at an event

No response from anyone who signed up at Lewisburg Demo  
Haven't heard anything from Lock Haven people – would like to get back up there

Approached by Kingdom Chatelaine at QRC – handbook for new chatelaines – a majority of items I've created will be part of this. Credit attributed to ACG members who contributed articles. Feather in ACG's cap.

Chronicler:

Fantastic job, Antoinette, with articles  
Can't post anything at the moment due to Internet  
Email Antoinette if you want the "official" newsletter  
Could not ask Thorpe about why ACG's newsletter is not on Kingdom  
Always in need of articles: how-to, on ANYTHING! Favorite source on ANYTHING! Your experience at an event ...  
By end of year, will be out of pre-made stuff. Would like to have a stockpile of a year's worth of stuff to fall back on.  
PLEASE send me stuff before I become boring!

Web

Website is

QRC:

Approximately 60 attendees, most of those were fighters  
HRM extremely pleased w/Rose Garden and how event was set up  
Still don't have our own list field yet ... Tim?  
The list was not easy to set up, pieces were warped, pieces were missing ...  
We need something! Useful for inside and outside ... We keep jerry-rigging  
Everybody seemed happy ... HRM seemed happy ... Thank you everybody, for everything you did  
I promise not to autocrat an event with 5 months' of notice ... It's off my bucket list.  
Scheming with Elena de la Palma is ongoing.  
Fantastic job!

SRI:

Moving along  
TW range coming – marshal from Region 3

SRI has put in for the same grant that they got last year  
Need artists: Contact Baron Silvester  
SRI has volunteers for their staff

Greer will create flyers for others to take to Pennsic  
Date is Saturday, September 10<sup>th</sup>  
Not yet on Kingdom calendar or on Chatelaine's website  
Will work on these avenues

FFF:  
Everything is going fine  
Flyer in the works for folks to disseminate at Pennsic

Corn Maze:  
Greer: Leo will turn in form after Pennsic  
Fee same as last year, \$10 per head, no flat fee  
Greer will Troll and needs help  
Fencers will have use of Kiddie Maze  
Tournaments TBA

Embroidery Event;  
Approved

Antoinette:  
At WP Curia: There are 52 weeks, too many groups have events  
Kingdom doesn't know what to do yet  
Limit the number of events per year: current idea = 4  
Kingdom events don't count against your 4  
Demos would not count  
Thinking about moving distance between events to 150 miles  
More of the issue: lack of advance planning  
Need to have more specialized events?  
Are we trying to do too much at an event?  
Have more groups work together?  
There's no plan, it's being discussed

Shire Twelfth Night  
Bronwyn is willing to run it one more time  
Seneschale typically calls Bucknell to reserve dates: January 7 and January 14  
Deirdre will call and reserve  
Shire will get first pick, Confed gets the other date

Embroidery Guild meeting:  
This week! 7:30 at Jaqueline's

Cooks' Guild:  
Stay tuned for date! Maybe July 4<sup>th</sup> weekend
