Old Business - Coronation. This event is well contained, but the site is somewhat "untidy."

Gilles would like to have a site visit on the 4th to tidy up and meet with the custodian. Hotels are problematic due to an admissions weekend at Bucknell. Check Selinsgrove and New Columbia. If you are retaining, let Gilles know. If you really want to help, volunteer to help serve lunch so we get folks through the lunch rush AQAP. We're hoping that Oodkatla will find retainers from other groups to relieve the shire folks. Gilles will be at the site on Friday the 10th around 3:00. Feel free to stop by on Friday to help with setup.

Crash space requests go to Aibell, but there is little space to go around. No matter how far you are from the site, contact Aibell if you have space.

Have 20 or so reservations - 120 slots for feast. Expecting 300+

Lewisburg Art's Festival - contact Machaa if you can come and help. April 25th

SRI Demo - Need someone to recruit entertainment. Adam needs some help with lunch - will contact cooks guild folks.

New Business -

Would really really like a chronicler. Someone to show up and take notes, and collect articles and send them to Aibell. Gille grudgingly agreed to be the chronicler/shire note taker.

Corn maze - Aethelmearc/EK war. November 7-9. Primarily a fighting event, no public access. No feast. Camping on Friday/Saturday night. Angus co-autocrat. At Ards. Open for guests

4:00 Friday to 12:00 Sunday. Expecting 300. \$13.00/person. \$10.00/head for the site.
\$100.00 for supplies.

Questions: Will we need extra porta-johns? Extra fee for lights? Any fee for alcohol? A list of what we're providing, and what Ard was providing? Generally, what does the \$10.00/head cover? Will there be a lower fee for children going to Ards? We would like a confirmation of the per-head fee (vs a fixed fee that Tim is just interpreting). Will vote after we get answers.

FFF - Elyse has name and phone number and been in contact with the lady at Loch Haven. Some change in rules wrt. minors. (Parent and/or Guardian with any minor).

Any other new business - Aibell has large binders if anyone would like one.....

Cameron - event tokens that Thorstein has been making he has never been reimbursed for - He should buy some pewter and gas and submit the receipt. Will get the amount and we will vote on it.

Guilds:

One last thing - SRI meeting will be every-other week, Thursday at 7:00.

Conrad - should we take PayPal? Could we look into this. Pass the fee on to the person doing the reservation. Check with the group in WV that is using PP.
