

CSCI 245 Life, Computers, and Everything
Prof. Felipe Perrone
Spring 2018
Activity 2

Work in pairs on this activity.

1. **Identify the dilemma.** Remember the clip we watched from [MI-5] (aka. *Spooks*)? Think back to that scenario and write out a clear, accurate description of the moral dilemma presented.
2. **Resolve the dilemma.** Describe how one can reach an objective, rational resolution to the dilemma using *Kantian* ethics.
3. **Resolve the dilemma.** Describe how one can reach an objective, rational resolution to the dilemma using *Act Utilitarian* ethics.
