

# CSCI315 – Operating Systems Design

Department of Computer Science

Bucknell University

## **Course Logistics**

Xiannong Meng

# University Masking Requirement

In accordance with the University's rule that all individuals are to be masked at all times whenever inside campus buildings, you must be fully masked at all times when attending class. Unless and until the University announces a formal change to this policy in a written communication to the campus community, the masking policy will remain in effect. "Fully masked" means having a mask fully covering both your mouth and the entirety of your nostrils; wearing a mask over your mouth but not covering your nose entirely is as good as not wearing a mask at all. There are no exceptions to this masking requirement.

# Ice-Breaker Activity

- In groups of 3, in 4 minutes
  - Introduce yourself if you don't all know each other
  - Talk about something you'd like to share within the small group
  - Don't have to share with the large group, unless you'd want to

# Course Logistics

- Course website: <http://www.eg.bucknell.edu/~cs315>
- Course Moodle site:  
<https://moodle.bucknell.edu/course/view.php?id=42960>
  - Other information such as my phone number, Discord site, Zoom site
- I'll post links to PPT slides and videos on the course schedule page: <http://csci315f21.courses.bucknell.edu/schedule-02/>
- Google classroom:  
<https://classroom.google.com/c/Mzc4MTE1OTcyNzEw>
  - For submitting activities

# Syllabus

- Please read the full syllabus carefully. The following are some highlights.
  - <http://csci315f21.courses.bucknell.edu/syllabus/>
