### Volume 1, The First Four Generations in America

The Book Foundry LLC and James M. Reager are pleased to announce the publication of Volume 1 of The Descendants of Antoni Ruger (Reager), ISBN 978-0-9824627-7-5. This first book entitled The First Four Generations in America is volume one of a seven volume master work cataloging the seven generations in America that descend from Antoni Ruger who came to America from Switzerland. This family landed in Philadelphia in 1737 aboard the ship *Virtuous Grace*. This book, and the volumes to follow, traces the development of a typical American family: from the frontier days before the founding of the United States to the early 1900's. This multi-volume set represents the product of research spanning the author's adult life.

The first volume contains photocopies and transcription of wills, deeds, land grants, census records, and extended excerpts from earlier authors/researchers. Some of these include:

- Lists of Swiss Emigrants in the Eighteenth Century, by A.B. Faust
- The Genealogy of the: Reiger, Reger, Rieger, Regar, Regur, Ragar, Reuger, Reager, Rigor, and Rigour Families, by Joseph E. Rigor
- The Frost and Related Families of Bedford County, Tennessee by Wright W. Frost
- The Border Settlers of Northwestern Virginia from 1768 to 1795, by Lucillus Virgil McWhorter

This a hard bound book with a full color cover of library quality and 426 pages containing a 21 page name-index, census index, and a reference list.
