Homework Assignment #3

(as email due: Tuesday, January 31, 8:00 am)
Please emails (kvollmay@bucknell.edu) only as text (no attachments)

1. Finish today's in-class work 3. As answer to this question email to me the name of your program for 3c. and copy the program into your share.dir directory and make the program readable as described in 3d. I will check your program, so please let me know as soon as possible, once you finished your program.

2. Update after class: This not:
Finish today's in-class work 5. As answer to this question email to me the name of your program for 5. and copy the program into your share.dir (and give it read permission).

3. Comments: What of this assignment was most difficult and/or most interesting? Do you have any comments about last class and/or this course?
