

DAILY ASSIGNMENT

- Announcements:**
- No movie Monday evening (Nov. 17, 7-9pm)
 - Wed, Nov. 19, the first draft of your project III paper will be due.

due: Monday November 17, 9 am

Read: Great Physicists: S. Hawking (pages 452 – 463)

1. Besides the reading in Great Physicists, find another source (book, journal article, newspaper article, TV show, ...) about S. Hawking. Summarize the content of this source.
2. Write a time table of main events in S. Hawking's life.
3. What do you find most interesting about S. Hawking's work and life?
4. Do you have any comments about the reading and/or the last classes?
