

DAILY ASSIGNMENT

Announcements: No movie tonight.

due: Wednesday November 19, 10 am

Read: No reading.

1. First Verion of paper for project III:

On Wednesday, November 19, hand your paper to your group partner. Review your group partner's paper and give him/her as much feedback as possible (**by Thursday, Nov. 20**). (Imagine being instructor to each other.) Work together to write one common paper (instead of two separate papers). On Friday, Nov. 21, you will hand me your common revised paper (2nd version).

(For your first version on Wed, Nov. 19, I do not need a copy. Just hand each other your papers. On Wednesday I will give you more explicit instructions about the format of the paper hand-in on Friday.)
