

DAILY ASSIGNMENT

Announcement: No movie Monday, Oct. 6 !

due: Monday, October 6, 9 am

read: Great Physicists: M. Curie (pages 295 – 307),
Course Package: Power

1. Which events do you think were the happiest, saddest and most important in Marie Curie's life? Answer this not like the question of a biographical list of dates, but instead imagine asking Curie in person, which time periods or events were most significant to her. What do you think would she have answered?
- 2a. What did you find most interesting about Curie's life?
- 2b. Name a specific topic or question you would like to discuss in class.
3. Summarize briefly M. Curie's scientific achievements.
4. Do you have any comments about this assignment and/or the last class?
