

DAILY ASSIGNMENT

- Announcements:**
- Monday (Sept.8) we will have a video session in the evening.
 - Tuesday (Sept. 9) last drop & add

due: Monday September 8, 9 am

read: Cat's Cradle

1. Write a short summary of the book.

2. Stereotypes of Scientists and Engineers

2a. Describe in detail the character of Mr. Hoenikker. Are there similarities to the stereotypes we identified in class?

2b. Which other characters besides Mr. Hoenikker are scientists or engineers? How are they portrayed?

3. How is religion described? What is Bokonism?

4. Why is this book called "Cat's Cradle"?

5. What was most interesting and/or most difficult of this daily assignment? Do you have any other comments for example about any of the previous classes?
