

College Core Curriculum: Class of 2014

Students have all four years to complete the requirements for the College Core Curriculum.

1. Intellectual Skills

- a. Foundation Seminar (FOUN) – Required in the first semester; all sections are W1
- b. Lab Science (LBSC) – one course
- c. Foreign Language requirement (FLRC) – recommended, but not required of Class of 2014
- d. Integrated Perspectives Course (IPPC) – recommended, but not required of Class of 2014

2. Disciplinary Perspectives

- a. Arts and Humanities (HUMN or ARHC) – two courses
- b. Social sciences (SOSC or SLSC) – two courses
- c. Natural sciences and mathematics (NSMA or NSMC) – two courses (in addition to lab science)

3. Tools for Critical Engagement

- a. Diversity in the U.S. (DUSC) – one course
- b. Environmental Connections (ENCC) – one course
- c. Global Connections (GBCC) – one course
- d. Quantitative Reasoning (QRRC) – recommended, but not required of Class of 2014

4. Culminating Experience (CLEE) – one integrative course or equivalent experience in the major(s) in the senior year
