

DAILY ASSIGNMENT

Due: Monday September 27, 9 am

Read: Gibbs: pages 106 – 123 of “Great Physicists”

- 1. Character:** Since the reading of this daily assignment does not tell us much about the personality of Gibbs, find another source (or sources) about E. Gibbs to learn more about his character and to see how Gibbs is portrayed by other authors than W. H. Cropper. Read the source(s) you found and summarize them in keywords on our daily assignment entry. You will present your results orally in class.
- 2. Scientific Achievements:** Describe briefly (2 or 3 sentences) the research of E. Gibbs.
- 3. Project II:** Make a sketch/outline for your project II paper (keywords fine).
- 4.** What of this daily assignment did you find most interesting and/or most difficult? Any comments?
