

DAILY ASSIGNMENT

Due: Wednesday, October 20, 9 am

1. To help you with listening well to each others talks, take notes during the talks of today's (Friday) talks (Not your own group's talk). So take notes on talk about Hubble (Brett & Tom) and about Bethe (Ben & Brian). Take notes on (1a) the content (1b) the presentation. What did you find interesting? If the speakers would ask you for feedback about how to improve their talks and in which sense their talk was good, what would you tell them? (answer on journal entry)
2. Wed, Oct. 20: Archimedes (Christian & Ryan) and Euler (Mike C. & Mike H.)
3. Do you have any other comments on the talks and/or assignment? (optional)
