

Reading Assignment #34

(due: Monday, November 26, 8 am)
(my email: kvollmay@bucknell.edu)

Announcement: Have a nice break!!

Read: §14.1 – 14.6

Yes, this is a longer reading. Skim the sections you are not presenting yourself, so that you will be prepared for Monday's presentation.

Reminder: After break you will give project presentations. For more information see "Project Description" on our webpage http://www.eg.bucknell.edu/physics/~kvollmay/phys331_f2007/. For your preparations, keep please in mind that web of science is only available from Bucknell. So if you plan to work at home, plan ahead for the research application, so that you will have the necessary paper(s). **In case of any questions please feel free to call** (office 577-3109, home 522-0120)!

date	topic	name
