Homework Assignment #3

(due: Tuesday, January 27, 8:00 am)
answer via Account Entry on our webpage

1. Finish today's in-class work 5. As answer to this question write in your Account Entry the name of your program for 5. and copy the program into your ~/ `share.dir` and make the program readable as described in 4c. I will check your program, so please let me know as soon as possible, once you finished your program.

2. Finish today's in-class work 7. As answer to this question write in your Account Entry the name of your program for 7. and copy the program into your ~/ `share.dir` and make the program readable as described in 4c.

3. Comments: What of this assignment was most difficult and/or most interesting? Do you have any comments about last class and/or this course?
