Homework Assignment #13

Updated Upcoming Schedule and Deadlines:

- **March 6, 7am**: Program 1st Version. Copy your program into your `~/share.dir` and give it read permission, so if your program is called program.py then
  ```
  cp program.py
  chmod 755 program.py
  ```
  if your program reads in some file(s), please also copy file(s) into your `~/share.dir` and also set read permission for file(s) as well.

- **March 6**: Office hours cancelled (I will leave town.)

- **March 7 class**: Cancelled. (I will be at conference)

- **March 19, 9:30am**: Final Version of Flow Chart due as hard copy. (can be hand-written) Use my comments on your first flow chart and update your flow chart according to any insights you got during program writing.

- **March 20, 2-3 pm, RCHM009**: Make-Up class. 2nd Version of Program due. Similar to 1st Version of program put into your `~/share.dir/` (see above March 6 description).
