

Homework Assignment #21

Due Tue, April 23, 9:30am, at beginning of class

1. Abstract & Title:

I sent to each one of you suggestions for the title and abstract. If you would like to further revise them for your paper, please do so, and hand in your revised version. Hand in both a hard copy as well via email in textform.

Main Project Talks:

April, 23: Andrew, Jeanine, Grant

April, 25: JJ, Coby

Please invite your friends. For your talk preparation, look at the comments I had sent to you via email after your first main project talk (if you don't find them, let me know, I can resend them to you). Audience will be our class, friends, and other members of Bucknell and community, however, you may assume phys 211/212 physics background. Please let me know in case of any questions.

Present/Future Deadlines:

- Tue, April, 23: Second Version of Title & Abstract (will be used for grading)
- Tue, April 23: Main Project Talks: Andrew, Jeanine, Grant
- Thu, April 25: Main Project Talks: JJ, Coby
- Tue, May 7, 8am: Final Version of 2nd Paper
