

Homework Assignment #3

due: Thursday, January 26, 10am
(copy into `~/share.dir/`) and give read permission

1. Finish today's in-class work. (Depending on our Jan.24,Tue, class this assignment might be modified.) Copy the program(s), so your python script(s) into your `~/share.dir/` and give read permission to all of them with `chmod a+r ~/share.dir/*`.

Update: Finish In-class task 10., that is traffic flow task.

2. Continue working on your model. (no hand-in needed)
