

Assignments:

- April 13 (next class): Final Version of Results To revise your results, use all feedback you have gotten on earlier versions of your results. Hand in results as hardcopy at the beginning of next class and also put your results into your `~/share.dir` and give read permission.
- April 18: Title & Abstract for your main project talk. This will be used for the announcement of your main project talk. See our webpage for info about abstract.
- No Additional Assignment: Mini-Project III will again happen fully in class, April 18 and/or April 20
- April 20: First Version of Main Project Talk Slides
- April 25: Main Project Talks: Amin, Gwynne, Chris
- April 27: Main Project Talks: Michael, Will, Wuji
