Daily Assignment

due: Monday, April 2, 8am

Send your answers to the following questions back to me via email (kvollmay@bucknell.edu).

1. On Monday we will start programming the DLA model. As preparation read the hand-out about the DLA model and list the rules.

2. What was most difficult and/or what was most interesting of this assignment and the last class.

REMINDER: Monday, April 2, is the first running version of your program due. Please make your source code readable and send to me the complete pathname of it.
