DAILY ASSIGNMENT

announcements: We will meet on Wednesday, April 19, in Dana 314.

reminder: The final paper will be due Monday, April 24.

read: copies of Gaylor & Wellin about the two-lane model.

due: Wednesday at noon, April 19.

1 Describe the two-lane model with words or sketch a flowdiagram.

2 Do you have any questions concerning your project or the traffic flow models?
