DAILY ASSIGNMENT

due: Friday, October 4, 8 am

read: ERES: “The Scientist as Magician (Maxwell)”

Hand your answers back to me either via email (kvollmay@bucknell.edu) or as hardcopy.

1a. Write a summary about our visit at the Priestley house. 
   Include both the video and the tour through the house.
1b. What was most interesting and/or less interesting? Do you have any other comments?

2. Bibliography for project II.
   Make sure that you have sufficient resources to be able to write your paper.
   Your list of references should include one or more books.

3a. List the main dates of Maxwell’s life.
3b. Describe Maxwell’s character. Strengthen your statements with examples.
3c. What is Maxwell’s main scientific achievement?

4. What of this assignment was most difficult and/or what was most interesting?
