Daily Assignment

Announcement: Monday evening we will watch a video about Newton
(7-9 pm in Biologie 102)

due: Monday, September 30, 8 am

read: Pages 11-43 in Heisenberg Probably Slept Here

Hand your answers back to me either via email (kvollmay@bucknell.edu) or as hardcopy.

1. What do you think led to Newton’s success?

2. Write a brief summary about Newton’s life (dates of main events).

3. Compare Newton’s life with the stereotypes which we identified.

4. What did you find most interesting of this reading and/or what did you like the least?
