

Homework Assignment #7  
(as email due: Tuesday, February 10, 8:00 am )

1. On Tuesday, you will present in class an update on your background reading. So keep reading the papers you have gotten. (No answer by email necessary for this question.)
2. Finish alone or together with your group partner the In-Class Work: Game of Life 3d (Newcomers) // 4a (Advanced). Put your program in your share.dir and make it readable. In case of group work please send to me one program per group and please let me know the exact filename and in whose share.dir the program is and who the two group partners were.
3. **Comments:** Please give me feedback about having the Newcomer/Advanced in-class work. It means for me considerable more course preparation time and therefore I would like to know if you do prefer that we continue with Newcomer/Advanced in-class work or if you prefer to go back to one set of in-class work.
